

2020 KCHCC Board of Directors

2020 KCHCC Education Foundation Board of Directors

Thank you to all who joined us as we celebrated 35 years of Excellence and Economic Prosperity in Kern County. The Hispanic Chamber has gone from a handful of business members to more than 1,200 today. In over 6 years, we have graduated more than 600 entrepreneurs from our small business academies that are moving beyond Bakersfield to other parts of the county.

Our annual KCHCC Installation and Business Awards continually sells out each year. Our board of directors represents a cross-section of our business and community sector, from healthcare and oil and agriculture to higher education and banking to non-profit and small business owners. In addition, our President/CEO has a seat on the California Hispanic Chambers of Commerce representing over 800,000 small businesses and supporting legislation across the State.

The following is the list of our 2020 business award honorees: • Business Man of the Year:
Dr. Jeet Singh, Centric Health

• Business Woman of the Year: Blanca Cavazos, Superintendent, Taft Union High School District

• Corporation of the Year: Jim Burke Ford Lincoln

• Large Business of the Year: Performance Realtors

• Small Business of the Year: Que Pasa Mexican Cafe

• Non-Profit Organization of the Year: Mendiburu Magic Foundation

• Community Service Award: Tere Quintana
